## EDUCATION

### Bachelors in Computer Science

#### Hamdard University

- 01/2020 - 01/2024  
Hamdard University, Gadap Town, Madinatul Hikmah, Karachi City, Sindh
- I hold a Bachelor of Science in Computer Science (BSCS) degree from Hamdard University, which I have yet to collect as a fresh graduate. My CGPA is 3.12.
  - My studies provided a solid foundation in both technical and creative skills, with a focus on C Language, C++ Language, and Object-Oriented Programming (OOP).

### Intermediate in Computer Science

#### Govt. Degree National College

- 01/2018 - 01/2020  
Government National College, Hussaini Society Karachi Memon Society.
- Completed Intermediate in Computer Science, building a strong technical foundation.
  - Gained adaptability and skills in web development, digital design, and technology, preparing for a professional career.

## SUMMARY

As a recent BSCS graduate, I bring a strong foundation in programming and digital solutions, with expertise in C, C++, OOP, HTML, CSS, JavaScript, SQL, and Figma. My skills span web development, graphic design, and video editing, enabling me to tackle diverse technical and creative tasks. Through freelance experience, I've refined my ability to deliver quality work under deadlines. I'm eager to contribute to impactful projects and grow within a collaborative, structured environment.
